

SAFETY GRAM

AUGUST 2026

BACK TO SCHOOL, BACK TO SAFETY.

As schedules get busier, our attention gets divided.

Small choices and good habits keep us and those we care about safe—at work, at home, and on the road.

MAKE SAFETY PART OF YOUR ROUTINE THIS SCHOOL YEAR

BE ALERT. SHARE THE ROAD.

- Expect more foot traffic, school buses, and drop-off lines.
- Slow down in school zones and stay distraction-free.
- Come to complete stops at crosswalks and follow guard signals.
- Be patient—kids are unpredictable.

DRIVE SAFE. ARRIVE ALIVE.

- Obey speed limits and traffic signs.
- Put your phone away.
- Focus on driving.
- Never pass a stopped school bus.
- Plan ahead—build in extra time for delays.

SCHOOL BUS SAFETY IS EVERYONE'S JOB.

- Stop for school buses with flashing lights.
- Red lights mean STOP. It's the law.
- Look both ways before proceeding.
- Our children's safety depends on you.

SUPPORT A SAFE ENVIRONMENT.

- Follow school and work safety policies.
- Report hazards, concerns, or near misses.
- Speak up if something doesn't look right.
- Be a positive role model—safety starts with you.

SAFETY STARTS AT HOME.

- Set routines that reduce morning and evening stress.
- Keep doors locked and valuables secure.
- Practice emergency plans with your family.
- Encourage healthy habits—sleep, nutrition, and rest.

PROTECT WHAT MATTERS.

- Use strong passwords and enable multi-factor authentication.
- Be cautious of phishing emails and suspicious links.
- Limit what you share online.
- Your digital safety protects you and your family.
